- Start printing immediately
- Print directly to the printer

Hold mismatched documents

Print spooled documents first

Keep printed documents

Enable advanced printing features

Printing Defaults... Print Processor... Separator Page...

OK Cancel Apply

Printer Driver Selection

The manufacturer and model determine which printer driver to use.

Select the manufacturer and model of the printer driver to install. If the driver you want is not listed, click Have Disk to select the driver you want.

If Windows Update is available, click it for more drivers for this processor.

| Manufacturer | Printers |
|--------------|---------------------|
| Adobe | Adobe PDF Converter |
| Canon | |
| Generic | |
| HP | |
| Microsoft | |

 This driver is digitally signed.
